Our Profile

Who We Are

Eri-Anu Home Care Limited is a trusted provider of professional home care, medical support, elderly care, and caregiver services based in Lagos, Nigeria. Founded in year 2025, we exist to deliver compassionate, dignified, and clinically sound care to clients in the comfort of their homes.

Vision:

To be Nigeria's most trusted partner in home-based healthcare, where every client experiences safety, dignity, and quality of life.

Mission:

To provide personalized, reliable, and professional care services that support independence, promote recovery, and bring peace of mind to families.

Core Values:

Compassion | Integrity | Professionalism | Respect | Safety

Our Services

We offer a full spectrum of in-home care solutions tailored to individual needs:

Service Category	What We Provide
Home Care Services	Personal grooming, bathing, dressing, toileting, mobility assistance, meal prep, light housekeeping, companionship
Medical Support	Vital signs monitoring, medication management, wound care, post-surgery care, chronic disease management, coordination with physicians

Elderly Care	Dementia & Alzheimer’s care, fall prevention, 24/7 live-in care, respite care for family caregivers, palliative care support
Caregiver Services	Trained & vetted caregivers, nurses, health aides. Options: hourly, shift-based, live-in, or short-term coverage

Why Choose Us

Qualified Team:

All caregivers and nurses are screened, trained, and certified. Regular in-service training on CPR, infection control, and client rights.

Personalized Care Plans:

We assess each client and design a care plan with input from families and doctors.

24/7 Availability:

Emergency support and on-call supervisors available round the clock. Availability of emergency Ambulance.

Safety First:

Background checks, supervised staff, and strict adherence to clinical protocols.

Family-Centered:

We keep families updated and involved through regular reports and care reviews.

Our Process

1. **Free Consultation:** We discuss needs, budget, and goals with you.
2. **Assessment:** A nurse supervisor visits to assess health status and home environment.
3. **Care Plan:** We create a tailored plan and match you with the right caregiver.
4. **Start of Service:** Care begins with close supervision in the first 48 hours.
5. **Ongoing Monitoring:** Regular check-ins, quality audits, and care plan updates.
